SPIRITUAL FORMATION

St. Francis Xavier Catholic School is a private school where the beliefs of the Roman Catholic Christian religion are taught. It is an extension of the ministry of the parish. As part of that ministry, the parish has the right and responsibility for assuring the Catholicity of the school. All students are expected to show respect for church teachings, regardless of religious affiliation. The goal is to have students attending St. Francis Xavier Catholic School become knowledgeable in the

teachings and practices of the Catholic Church. St. Xavier will emphasize the two components of religious formation – knowing the faith and practicing the faith. To fulfill these two components, students are required to take and pass a religion class each year. In addition, students are required to participate in outreach ministry by completing a minimum number of service hours during each semester throughout middle school and high school. Students are responsible for completing all necessary paperwork to verify service hours by the required dates. Requirements for the number and type of service hours can be found in the academics section of this handbook.

Mass attendance is the central part of practicing our faith. As such, ALL students K-12 will attend Mass on Friday during the parish’s daily mass time (8:30 a.m.). After Mass on the first Friday of each month, all students will participate in Eucharistic Adoration. ALL students will also attend Holy Days of Obligation. Parents are encouraged to attend Mass and Eucharistic Adoration as well. In addition, students are expected to attend Mass or other religious services at their home church on Sunday.

ACADEMICS

St Francis Xavier Catholic School is preschool through 12th grade, meeting accreditation standards of the Kansas State Board of Education and Cognia. For detailed information on graduation requirements see Appendix HIGH SCHOOL

ACADEMIC INTEGRITY

Cheating will not be tolerated. Cheating is defined as using unacceptable means to attain academic success. Plagiarism is considered cheating. Plagiarism will be defined in all classes where papers, homework, tests, quizzes, and research assignments are given. The consequences for cheating will include:

- Written notification made by the teacher to the parent.
- A conference with the administration, teacher, student, and parent /guardian may be held.
- The student will receive a zero (0) on the test or daily assignment

GRADING

The academic year consists of four grading periods, two in each semester. Students will receive percentage grades each quarter of the school year:

92-100% = A	Excellent	4.0 grade points
83-91% = B	Good	3.0 grade points
74-82% = C	Satisfactory	2.0 grade points
65-73% = D	Passing	1.0 grade point
64% & below = F	Failing	0.0 grade point

An incomplete will be given to a student only if they have excused absences. An incomplete for unfinished course

requirements must be removed within two weeks of the end of the grading period or the grade will be changed to an “F” on school records, except in cases of prolonged illness or other circumstances approved by the principal and counselor. For KSHSAA eligibility purposes, incompletes (I’s) are considered F’s.

Semester grades are used to calculate a student’s cumulative grade and rank in the class. Only semester grades will be placed on a student’s transcript.

During those four grading periods, if a current student is failing three or more classes, the student will be placed on a Plan of Improvement.

SEMESTER FINALS

Semester finals are administered to 9th – 12th grade at St. Francis Xavier Catholic School at the end of each semester. Teachers will set the criteria and format of the semester final for their class.

PROGRESS REPORTS

Teachers at St. Francis Xavier Catholic School use PowerSchool to record student grades and assignments. PowerSchool is a computerized grade book and student data management system that allows parents to have computer access to their child’s grades and other information. Parents of students in grades 1-12 will be given their child’s confidential identification number and password via mail or from the school office. Grade updates for 1st-12th grade will be available online weekly by Monday of each week. Parents are expected to utilize PowerSchool to track their children’s grades, assignments, and tests that are scheduled. Students will be given their own ID and password to track their progress.

CONFERENCES

Parent Teacher Conferences are held after the first and third grading periods. Other conference times should be scheduled with the teacher outside class time. Grade cards will be picked up at the main entrance of the school. After the end of each semester, (fall and spring), grade cards for K through 12th grade will be mailed out to families.

Parents are encouraged to discuss concerns with the child’s teacher as soon as the concern arises. Frequent communication allows the teacher and student to make corrections or adjustments for the student before it becomes a major problem with lasting consequences. Parents, as the primary educators, are expected to take an active part in their child’s education.

CREDIT RECOVERY POLICY

The school counselor will meet with the student and parents to arrange the best solution to recover credit for failed courses. Any student that does not meet the needed credit recovery will not be allowed to return.

PROFESSIONAL SCHOOL COUNSELOR

The school counselor assists students in educational, vocational, social, and personal formation. The counselor also offers assistance in planning admission to college, making applications for scholarships, and interpreting test scores.

ATTENDANCE POLICY

Regular and punctual attendance is necessary for a school to function properly. In addition, employers, colleges, and the armed services place a high degree of significance on the attendance of students during the school years. There is a high correlation between attendance and personal reliability. Since absence from class for any reason results in a loss to the student that is irretrievable, it is the responsibility of the students, parents, and school administrators to ensure student attendance.

Kansas Law (KSA 72-113) states:

“Whenever a child is required by law to attend school and is enrolled in school, and the child is inexcusably absent therefrom for either **three consecutive school days or five school days in any semester or seven school days in any school year**, whichever of the foregoing occurs first, the child shall be considered to be not attending school as required by law. A child is inexcusably absent from school if the child is absent from school for all or a significant part of a school day... “

An absence is recorded when a student has missed half of a class period.

Students absent from class because of school related activities, i.e. field trips, athletic events, college visits, or academic events, will not count as an absence in computing perfect attendance or granting credit for course work.

All absences will be recorded as excused or unexcused. If a student accumulates **5 unexcused absences**, parents will be sent a letter informing them of school concerns about their students’ absences.

If a student accumulates **8 total unexcused absences** parents will be sent a letter informing them of the additional absences.

If a student accumulates **12 total unexcused absences** parents will be sent a letter informing them of the additional absences and the student will be placed on a plan of action. The student may need to make up this time at the outside of the school day for every day over the maximum amount of days.

If the student continues to accumulate absences, an Attendance Conference will be scheduled with school administration, parents, and community truancy monitors to

discuss the student's attendance issues and to develop a plan for improving attendance.

If a high school student accumulates **more than 15 absences** in any class, including seminar/Mass, they will lose the credit for that class for the semester.

Excused Absence

An absence from school will be excused for only:

- Personal illness
- Extreme illness in the immediate family
- Funeral
- Medical appointment
- College Day (juniors and seniors)
- Parental Request

It is the student's responsibility to work with the teacher to make up work that is missed as the result of an excused absence. The student must develop a plan of action with the teacher to complete all missed assignments. **Excessive amount of excused absences may result in conference with administration.**

Excused Absence Procedure

When a student is absent from school, parents or guardians need to call the school prior to 9:00 a.m. The parent is asked to state who they are and why their student will not be in school. If the school is not informed, a call will be placed to the home to verify the reason for the student's absence. If the school initiates this call, and no contact is made, the absence will be recorded as unexcused.

Pre-arranged Absence

In the case of pre-arranged absences, written notification or phone call in advance of the first day of absence is requested. Students must coordinate with the teachers before the absence to arrange a timeline to make up all work.

Students absent as a result of an approved school sponsored activity must turn in assignments for that day before they leave for the activity.

Unexcused Absence/Truancy

When a student misses all or part of a school day without proper authorization or excuse, he or she is truant. The first offense will result in make-up detention time for at least 4 hours. Each hour a student is truant will result in 1 hour of detention time. (For example, if a student were truant for 4 hours, the result would be 4 hours of detention time). More than 4 hours will result in an ISS for hours missed. (For example, if a student were truant for 6 hours, the result would be 6 hours of ISS. The second offense during the school year will result in in-school suspension. The third offense will result in out-of-school suspension and possible expulsion. Once students have arrived in the school they are not allowed to leave the building without prior approval of the principal or delegate.

Tardiness

Students are to be in class before the tardy bell ends. Each student is allowed two (2) unexcused tardies per class per semester. After that, each additional tardy will result in a lunch detention and contacting of parents. This policy will apply to an unexcused tardy only. A student who is detained by a teacher should secure a pass from that teacher to get into the next class. Students tardy for classes without a pass are accountable to the teacher assigned during that period.

Semester Tardy Policy PreK-6th

- 3rd unexcused tardy = phone call home
- 4th unexcused tardy = parent conference
- 5th unexcused tardy = parent conference
- 6th unexcused tardy = parent/school truancy conference

Semester Tardy Policy 7th-12th

- 3rd unexcused tardy = lunch detention
- 4th unexcused tardy = lunch detention and phone call home
- 5th unexcused tardy = lunch detention and parent conference
- 6th unexcused tardy = lunch detention parent/school truancy conference

FIELD TRIPS AND CLASS SPONSORED TRIPS

All students participating must have a signed parent permission slip returned to their teacher before being allowed to participate. Students are NOT permitted to provide their own transportation. Parents may drive personal vehicles on field trips if a copy of the parent's driver's license and insurance card is on file with the office. There are minimum liability requirements to transport students. Parents and teachers must verify with the office that drivers meet these requirements prior to the trip.

GENERAL INFORMATION

ACCREDITATION

St. Francis Xavier Catholic School is fully accredited by the Kansas State Board of Education. It is also a member of Cognia, a voluntary accrediting agency of secondary schools and colleges throughout the Midwest.

BUILDING HOURS

Regular school office hours are 7:50 a.m.- 3:50 p.m. Students and visitors should enter through the main entrance, Building A. Classes are in session from 8:20 a.m. to 3:25 p.m. Students must have prior permission from a member of the faculty to be in the building before 7:50. Students not involved in extra-curricular activities or any other after school function must be out of the building by 3:35 p.m. or be **directly** supervised by a member of the faculty. Custodians may not assume this responsibility.

When school is not in session (e.g. summer, holidays, professional development days) students must be under the

direct supervision of a school or parish representative in the building at ANY time of day.

The entrance on 2nd Street may be used for dropping off and picking up students before and after school. In addition, the 2nd Street entrance is used for athletic events and other special activities. Apart from these events, visitors must sign in through the office any time they visit the school.

SCHOOL VISITORS AND GUESTS

Any person who visits must enter through Building A and sign in at the office before proceeding anywhere in the building.

If a parent/guardian parked on 2nd street at the end of the school day has a need to enter the building, they must enter through the Building A doors and sign in before proceeding anywhere else in the building. Violation of this rule may lead to removal from the building or grounds and denial of further access.

Parents are requested to arrange any classroom visit with the teacher a minimum of one day prior to the intended visit. If the time is not convenient to the teacher, efforts will be made to arrange an alternate time for the visit.

A guest is defined as a person who comes to visit classes along with a student. A teacher has the right to refuse the guest into the classroom on a particular day, upon which the guest should return to the office for that hour.

Further, the parents/guardian of the enrolled student must call the school and inform the office of their student's intent to bring a guest to visit. The guest must check in at the office to receive final approval from an administrator and a visitor's pass.

PARENT VISIT/PARTICIPATION IN CLASSROOMS

A parent/guardian must make prior arrangements before coming to visit the classroom; the teacher has the right to refuse depending upon what is scheduled for that day. Arrangements will be made for another day, which is more appropriate for visiting.

Parents are not to use this classroom visit as a parent teacher conference. Parent teacher conferences should be scheduled before or after school.

If the parent becomes disruptive in class and the class cannot perform as scheduled, the parent will be asked to leave, if necessary be escorted out and will always be escorted to scheduled visits and activities involving their child.

PARENT VOLUNTEER PROGRAM

St. Francis Xavier Catholic School believes that it is essential to partner with parents in order to provide our students with the best learning experience possible. That is why St. Xavier School implements the parent volunteer program. This program encourages parents to be more actively involved in

the wide range of events and activities that the school has to offer. Parents are expected to complete 10 volunteer hours by the end of the school year. Volunteer hours can be fulfilled by helping out in the classrooms, working at or driving to extracurricular activities, or assisting at PTO, Activities Committee, and fundraising events. Volunteer hour forms will be available in classrooms and at events. A record of these hours will be kept in the school office. If you are unable to meet this requirement, please pay a fee of \$100 at enrollment or \$10 at the end of the school year for each volunteer hour not fulfilled.

Please see APPENDIX: GET INVOLVED for volunteer form as well as information about how much involvement matters.

SCHOOL CANCELLATIONS/POSTPONEMENTS

In case of severe weather, the announcement of school closing will be made on the radio stations KJCK 1420 Am, 97.5, and TV Channel 13 WIBW. It will also be sent out as a PowerSchool Announcement and be posted on the school Facebook and website (www.saintxrams.org)

Students may only receive permission between classes, at lunch, before or after school, or in an emergency (accident or illness). With teacher permission, students may use the phone in a classroom. At no time are students allowed to use cell phones during the school day unless given permission to do so by a staff member.

The student will be on computer probation for the next semester. (Probation allows the student to use the computer during class time only. Offenses occurring in the spring will carry probation over to the fall semester).

Second Offense: The account will be disabled for the remainder of the school year.

LIBRARY

Damage to books beyond reasonable wear and all lost books are the responsibility of the student to whom the book is signed out. The full cost of the book will be charged to the student. If not paid for, transcripts/report cards will be held until paid for.

FIRE AND TORNADO DRILL:

Every school, according to state law, must hold fire drills. Everyone must leave the building in an orderly, regulated manner. Schools are expected to hold at least two tornado drills over during the school year. A record of each fire drill and tornado drill must be kept and a report made to the State Fire Marshall.

PERMISSION TO LEAVE CLASSROOM

Students will not be allowed to leave the classroom during class time without a pass from the teacher. The teacher, and

not the bell, is responsible for dismissing students at the end of the class period.

PERSONAL ITEMS

Students should not bring valuables to school. If valuables must be brought to school for some reason, students are requested to leave them with a teacher or in the office for safekeeping. The student should label all personal clothing and equipment. Cell phones and any other electrical devices with or without headphones are not permitted in the classroom at anytime. Students using cell phones or other electrical devices at any time are subject to disciplinary action, and the electronic device will be seized.

Unauthorized possession or use of personal items, to include electronic devices, will result in:

First offense: The loss of the item for the day. The Student must pick up the item from the office at the end of the day.

Second offense: The loss of the item for the day. The **parent** must pick up the item from the office.

Third offense: The loss of the item for the current semester. The parent will receive a call, and the item can be picked up on the last day of the semester.

The school will not be responsible for the loss of personal items.

SCHOOL PARTIES

Teachers may have classroom parties at the end of the day (after 3:00). Parents must coordinate with the teacher in advance in order to bring any treats. The teacher is responsible for these parties.

Individual birthday invitations may not be handed out at school unless they are given to the classroom teacher to give the entire class.

DANCES

All school sponsored dances must be scheduled a minimum of one week in advance through the Principal. Dances must be supervised by faculty, sponsors, and parents, and must be on school property or on property covered by the school's insurance company. The following guidelines will apply to dances sponsored by the school:

All students must arrive within 30 minutes of the start time of the dance unless prior arrangements with the Principal have been made. No student or guest will be permitted to return to a dance after leaving. Parents will be contacted, if students leave early from the dance.

Guests and alumni may be admitted with administrator approval. Guests must be registered in the office by the St. Xavier student.

Any person creating a disturbance or violating the drug/alcohol policy at a dance or anywhere on the premises will not be allowed to attend future dances. A record of non-student guests who have created disturbances will be maintained and a list of those names made available at future dances so that admission will be denied.

PTO sponsors a dance each year for elementary and middle school students. Each group has a separate time to attend on the same night. Elementary and Middle School students are not permitted to attend the other's dance.

HANDLING OF ANY COMPLAINT

The following procedure should be followed regarding complaints:

The person with the complaint should first request and meet with the other individual involved.

If no satisfactory agreement comes from this conference, the person should then meet with the Principal.

If there is still no satisfaction, the person should then present the problem to the Pastor.

Any parent who is physically or verbally abusive to any faculty or staff member may be asked by the Principal to remove their child from St. Xavier permanently.

It is the policy of St. Francis Xavier Catholic School to provide a learning and working environment that is free from harassment. No employee or student of the school shall be subjected to sexual harassment nor shall any employee or student be subjected to harassment on the basis of race, color, creed, religion, or sexual orientation. All employees and students are expected to act in a manner consistent with the teachings of the Catholic Church. It shall be a violation of this policy for any member of St. Francis Xavier Catholic School to harass another staff member or student through conduct of a sexual nature or with respect to race, color, creed, religion, national origin, gender, disability, age, marital status orientation. It shall also be a violation of this policy for students to harass other students or staff through conduct of a sexual nature or with respect to race, color, creed, religion, national origin, gender, disability, age, marital status orientation.

Procedure

If there is a sexual harassment complaint to be filed against any person at St. Francis Xavier Catholic School, a written complaint to the Principal must be submitted. Violation of this policy will result in disciplinary action, up to and including dismissal from school. Students who violate the policy will be subject to the disciplinary actions defined in the appendix.

SEE APPENDIX—SEXUAL HARASSMENT DISCIPLINE ACTION

TOBACCO

In order to provide a healthy environment students are prohibited from the use of all tobacco products on school grounds, school/parish property, in the buildings, and any vehicles that are transporting the students to and from a school activity. This policy is in effect 24 hours per day, every day and applies to employees of the school. This policy applies to all school functions and any outside agency using the school facilities.

SCHOOL DISCIPLINARY PROCEDURES

1. Teachers will be responsible for setting rules for their individual classrooms and these rules will be communicated to both parents and students.
2. Discipline will be logged in PowerSchool when an incident occurs that disrupts the normal class or school proceedings. The log will state the reason for discipline and any action taken, and parents will be notified.
3. After a student receives their fifth behavior detention during the course of a semester, an In-School-Suspension will be automatically imposed. The student will also meet with the teacher, counselor, and administration during the suspension period. The team and student will draw up a behavior modification contract specific to the student's needs to assist and encourage appropriate behavior. The Student Intervention Team will keep in close contact with parents whenever their attention to a matter is necessary.
4. Each student will have a record of all instances of discipline referrals.

DETENTION HALL

A detention hall is held at the discretion of the Principal. Students who fail to report to detention hall as requested will be assigned an additional detention by the Principal. Grade cards and/or transcripts will not be mailed until all detentions are served. Students in detention will follow all rules of the detention supervisor.

Below is only a partial listing of reasons a student may merit detention:

- 1) Unexcused tardies or absences.
- 2) Profanity or vulgar language on school property or school events.
- 3) Misbehavior at Mass or prayer service.
- 4) Leaving school without permission.
- 5) Throwing food.
- 6) Public Display of Affection
- 7) Leaving a class without permission
- 8) Dismissal from class for misconduct.

The above infractions are not all inclusive and should serve only as a guide. Other situations may arise that warrant different consequences.

IN SCHOOL SUSPENSION (ISS)

An In-School suspension is a corrective disciplinary action for violations of proper school conduct. Suspensions may be for one to five days and are designed to allow time for each person involved to reflect on his/her actions. Parents or guardians will be notified if a student receives an in-school

suspension and may be requested to meet with school officials.

The in-school suspension (ISS) program is an effort to assist students in their process of maturing and to help them to understand the responsibility of their actions. There is no intention of using ISS for all discipline problems.

Acts of unacceptable behavior, whether in the classroom or school at large, may result in a suspension assignment.

Examples of these are:

- Repeated offenses contrary to school regulations and the lack of response to preliminary disciplinary efforts.
- Open defiance of authority.
- Failure to comply with reasonable request from the staff.
- Use of profanity or obscenity.
- Repeated tardiness or attendance problems
- Conduct that disrupts the school.
- Loss of temper.
- Use of physical force against another student, faculty, or staff.
- Sexual harassment.
- Possession or use of tobacco product.
- Vandalism of school property.
- Fight/Violence.
- "Mouthing off" to a teacher, staff member or the Principal.
- Intimidation or bullying of another student.

This is not an inclusive list and the Principal may assign ISS for other incidents as warranted.

ISS Procedures

- 1) Students must report to the office at 8:20 a.m. with textbooks, paper, pencil or pen, and assignments from teachers and will be dismissed at 3:25.
- 2) Assignments may be for the hour or total day.
- 3) Students will be permitted restroom privileges only after obtaining permission from the person in charge.
- 4) Students will not eat lunch in the cafeteria. Lunch will be brought to the ISS room.
- 5) If two or more students are assigned to ISS, they may not communicate to each other at any time.
- 6) Students will not be allowed to attend or participate in extra-curricular contests or activities throughout the duration of the ISS.
- 7) Students will not be allowed to select the choice of an in-school or out-of-school suspension. This assignment is made by the Principal.
- 8) Students in ISS must work toward completion of assignment work. Credit will be given for all work completed.

- 9) Students failing to perform appropriately in the ISS may be subject to eventual suspension from school.
- 10) If students are found to be sleeping or lying down parents may be called to pick up their child from school and out-of-school-suspension (OSS) will be assigned for the remainder of the suspension term.

OUT-OF-SCHOOL SUSPENSION (OSS)

Out-of-school suspension (OSS) will be used when it is deemed by the Principal to be in the best interest of the student and/or the school.

When a student is given an out-of-school suspension, the parents will be notified by the school and may be requested to meet with school officials. This type of suspension will be used when students have previously served in-school suspensions or there has been a serious violation of school policy resulting in a threat to the safety and welfare of one or more students, teachers, or staff members. Out-of-school suspensions may not be more than (5) consecutive days. OSS will be assigned by the Principal. The number of days in OSS will also be determined by the Principal.

A student in **OSS may not participate** in any school activities, practices, or athletic contests. A student must make up their work but will earn no more than 65% credit for the work completed. A student who served an OSS will be placed on probation for the remainder of the school year.

SUSPENSION/EXPULSION PROCEDURES

Expulsion shall be defined as the permanent dismissal of a student from school. Like suspension, it shall be enacted only as a last resort after all other means of motivation and correction have failed. Expulsion shall normally be imposed only after the student has been afforded an opportunity for a formal hearing. In all cases where a student might be expelled, he/she shall be suspended first for a term not to exceed five (5) school days. A written notice of intent to expel and charges upon which the expulsion is based shall normally be given to the student's parents or guardians within seventy-two (72) hours of the student being suspended. The notice shall also contain the day, time and place that the student will be afforded a hearing. This date shall be not later than the last day of the five (5) school day suspension. Formal hearings may be conducted by the local school council members or appropriate persons appointed by the Pastor. The Pastor shall make the final determination, and students may seek a review of the matter with the Diocesan Superintendent of Schools.

GROUND FOR SUSPENSION/EXPLUSION

Examples of grounds for which a student may be suspended or expelled:

- 1) Willful violation of any published regulation for student conduct;

- 2) Conduct which disrupts, impedes, or interferes with the operation of the school;
- 3) Conduct which infringes upon or invades the rights of others;
- 4) Disobedience of an order of a teacher or school authority when such disobedience can reasonably be anticipated to result in disorder, disruption, or interference with the operation of the school;
- 5) Grave immoral conduct;
- 6) Conduct contrary to the official teaching of the Catholic Church;
- 7) Use of physical force or threats against another student, faculty member, staff member, or the Principal on or off school property;
- 8) Bringing guns, knives or other weapons to school or on school property. Police will be called.
- 9) Violation of the drug/alcohol policy; or
- 10) Sexual harassment.

NOTICE OF SUSPENSION/EXPULSION

Whenever any written notice is sent to the parents or guardians of a student, it shall be sufficient if the notice is sent by registered mail to the address on file in the school records. In lieu of mailing such a written notice, the notice may be personally delivered.

SUSPENSION/EXPULSION FOR STUDENT CONDUCT OUTSIDE SCHOOL HOURS

St. Francis Xavier Catholic School reserves the right to suspend or expel students for acts which are illegal or contrary to the Catholic Church’s teachings or hurting the reputation of St. Francis Xavier Catholic School. The act may occur outside of school hours and off the school grounds. The school reserves the right to hold students accountable for their conduct at all times. Procedures for suspension and/or expulsion will be the same as previously outlined in this handbook.

STUDENT ACTIVITIES

St. Francis Xavier Catholic School is a member of the Kansas State High School Activities Association (KSHSAA). All St. Xavier students who participate in activities must conform to the eligibility requirements of this association.

ELIGIBILITY

We expect a higher academic standard for all sports and activities, then required by KSHSAA. Academic eligibility for extra-curricular activities will be determined on a weekly basis. Students need to be passing all classes in order to participate. Students found to be failing are unable to participate in school competitions/activities.

Students must attend the last five (5) hours of the day to participate in or attend any school related activities or practices on that day.

The student must pass an adequate physical examination by a practicing physician and must have the written consent of a parent or legal guardian. The completed form must be on file in the office prior to the first practice.

Each student involved in an activity offered at St. Xavier is recognized as an official representative of the school and its community. Conduct and sportsmanship on and off the school premises should display the highest possible standards.

To be eligible, the student must meet all KSHSAA rules.

SEE APPENDIX – ACTIVITY PARTICIPATION for details and disciplinary actions

EQUIPMENT AND UNIFORMS

Participants are responsible for the care of each piece of equipment issued to them. Any uniform/equipment damaged or destroyed by misuse, or lost will be replaced at the expense of the participant’s parents/guardians. To be eligible to participate in the next sport season, the participant must return all equipment and uniforms from the prior sport.

ST. FRANCIS XAVIER CATHOLIC SCHOOL CODE OF CONDUCT

St. Francis Xavier Catholic School, its School Council, the Principal, and teachers believe students who attend St. Xavier should conduct themselves at all times in a manner that portrays a high level of moral conduct for themselves and our school. It will be required for each student, and the parent’s/guardians of each student, to sign and return this Code of Conduct Policy to the school prior to the student being allowed to participate. This policy will not replace or supersede any policies in the St. Francis Xavier Catholic School or Student Handbook.

ACTIVITIES COVERED BY THIS POLICY

- Sports:** Cheerleading, Cross Country, Basketball, Volleyball, Track
Activities: Band, Choir, Scholars Bowl, Chess, School Dances, Forensics, FBLA (Future Business Leaders of America), Homecoming Candidate
Organizations: Student Council (StuCo), Class Officer

AWARDS AND LETTERS

The head coach or sponsor for each activity, will develop, maintain, and explain the procedures for lettering and other awards in each sport or activity. To receive any award including a letter, a student must finish the season in good standing.

LEAGUE AFFILIATION

St. Francis Xavier Catholic High School currently competes as an independent, and follows KSHSAA guidelines. St. Francis

Xavier Catholic Middle School currently competes in the Northeast Kansas Parochial League (NKPL), and follows KSHSAA guidelines.

ORGANIZATIONS

Some clubs that students may participate in are as follows: Forensics, FBLA, StuCo, Class Officer.

StuCo/CLASS OFFICERS REQUIREMENTS

StuCo is a recognized activity of KSHSAA. This is a student advisory council to the Principal with responsibility for developing activities that improve student life.

High school students may campaign for election as a StuCo officer. The President must be a Junior or Senior and cannot hold a position as Class President if elected. The Vice President and Secretary/Treasurer are also elected positions from within the student body. An election using a voting ballot is held for the high school students to select the candidate they wish to represent them. Class Presidents are automatically a member of StuCo and each class may elect an additional student to act as their Representative.

HEALTH AND MEDICAL PROCEDURES

When a student has a doctor appointment and will be coming to school late or needing to leave school for the appointment, the parent/guardian **must** call or send a note, or come into the office prior to the appointment.

St. Xavier is governed by the same health and safety laws affecting public schools in Kansas. Per Kansas law, all students (age 8 and younger) entering a Kansas school for the first time students are required to have a completed health assessment on file.

Through a volunteer effort of a school nurse, we offer students at St. Xavier screening procedures for vision and hearing. We monitor immunization records and report to state agencies. Vision and hearing screenings are held annually for all grades by USD475.

If any parent wishes their child to be exempt from any of the screening procedures, please send a written notification to the office. Indicate on the envelope "Attention School Screenings"

If any student becomes ill at school, personnel may judge it necessary for him/her to go home. Parents or guardians will be notified. No teacher or staff member may be responsible for the administration of any medication, including aspirin. **MEDICATIONS ARE NEVER TO BE LEFT IN A CLASSROOM OR LOCKER.** Students must leave medications in the office with an accompanying note of specific instructions for administration.

ILLNESS

Students should not come to school if they exhibit flu-like symptoms. These symptoms included, but are not limited to, fever and excessive coughing. Please err on the side of caution. Students will not be able to return to school for 24 hours if they exhibit a fever of more than 100 degrees or have vomiting or diarrhea. For example, if your student goes home sick from school on Tuesday with a stomach bug, then they will not be able to return to school until Thursday morning.

IMMUNIZATIONS OF STUDENTS

Any child entering school for the first time in this state shall, prior to admission, be required to present to the appropriate school authorities certification from a licensed physician that he/she has received or is in the process of receiving immunizations against poliomyelitis, mumps, diphtheria, measles, pertussis, and tetanus by such means of immunizations as are approved by the Kansas State Board of Health, or, in the way of an alternative to such requirements, shall present:

- Certification from a licensed physician stating the physical condition of the child to be such that the test and immunizations would seriously endanger the student's life or health,
- Students entering the seventh grade need a DT booster.
- A written statement signed by one parent or guardian that is an adherent of a religious denomination whose religious teachings are opposed to such tests and immunizations,
- A written statement signed by one parent or guardian requesting that the local health department give test and immunization because the parents or guardians lack the means to pay for such tests and immunizations.

A parent has 90 days to comply with the above policy from the day the student enters school. If no statement or certification is produced, the student will not be admitted to classes until documents are produced.

CONTAGIOUS AND COMMUNICABLE DISEASES

Any student who is likely to transmit a contagious disease through day-to-day contact (such as measles, chicken pox, tuberculosis) shall NOT be permitted at school or school sponsored activities as long as the possibility of contagion exists. To determine the diseased condition or the possibility of transmitting disease, the Principal may require a student to be examined by a physician and if the diagnosis is positive for a contagious condition, shall exclude the student from school as long as the danger of disease transmittal exists.

CHRONIC INFECTIOUS CONDITIONS

Each individual situation involving a chronic infectious condition (such as HIV-III virus or Acquired Immune Deficiency Syndrome (AIDS) and Hepatitis B) shall be considered by a team on a case-by-case basis. The team shall consider the current recommended policies and procedures of the Kansas State Department of Health that are appropriate to the situation. The members of the team shall be selected by the Principal. A suggested team could be the student's parent(s) or legal guardian(s), the student's physician, a public health officer, and the Pastor.

The number of people who are aware of the infected student's condition shall be kept to a minimum needed to assure proper care of the student and to detect any extraordinary situation that may present a potential for transmission.

NOTE: AIDS is an infections condition, but it cannot be spread in the same manner as a common cold, measles, or chicken pox. It is spread through the exchange of blood or sexual contact involving the exchange of body fluids. None of the identified cases of AIDS in the United States are known or suspected to have been transmitted from one student to another through regular school contact.

Students who are HIV-III positive, or diagnosed as having AIDS, who are enrolled or seeking enrollment shall ordinarily be permitted to attend school in an UNRESTRICTED SETTING. They shall NOT be excluded unless exceptional conditions are evident, such as the inability to control bodily fluids or unusual physical aggression with a documented history of biting or physically harming others.

Because AIDS damages immune systems, individuals with AIDS risk severe complications from infections commonly found in school such as chicken pox or measles. For that reason, a student's doctor may evaluate the risk of infection based on the student's immune status. If the doctor should recommend that the student diagnosed with AIDS be excused from attending school, the teachers will try to help the student keep up with classes as much as other duties allow.

APPENDIX - FINANCIAL DELINQUENCY

IN THE EVENT A FAMILY BECOMES DELINQUENT IN FINANCIAL SUPPORT:

The FACTS program makes 3 separate attempts to collect tuition/tithing payments. The first is the family's normal payment date. If there are insufficient funds, FACTS makes a second attempt on the next payment date for the school whether it's the 5th or 17th. If that is insufficient, FACTS attempts one more time on the next available payment date. FACTS assesses a \$30 fee for insufficient funds one time so even if for example it takes 3 attempts to collect for August, FACTS only assesses a \$30 late charge. After 3 unsuccessful attempts are made by FACTS, the collection process is turned over to the school.

In the case of registration and curriculum fees, students may not attend until those fees are paid in full or if parents are paying curriculum fees through FACTS.

A family using After Care whose account becomes delinquent will be called. The child will not be able to attend After Care until the bill is paid.

The following rules will apply if delinquent:

1. No student will be allowed to enroll or attend school at the beginning of the new school year unless the family has paid in full all money owed from the previous year.
2. No student will be allowed to enroll for or attend school at the beginning of the 2nd semester if the family is more than 30 days behind in their payments for the current year.
3. Families paying annually must pay tuition in full by AUG 1 in order for their child to be able to enroll in or attend school at the beginning of a new school year.
4. Families paying semi-annually must make half tuition payment by AUG 1 in order for their child to be able to enroll for or attend school at the beginning of a new school year. They must make the second half payment by January 1 in order for their child to be able to enroll for or attend school at the beginning of the 2nd semester.

This policy is binding upon all representatives and employees of the school.

Include registration fee/curriculum/activities& sports

COLLEGE LETTERS OF INTENT

Senior students who would like to sign their "letter of intent" to a college during the school day need to have all the arrangements made through the Activities Director at least two days prior to the signing date so that accommodations can be made to honor and recognize the athlete at an assembly.

CATHOLIC DIOCESE *of* SALINA

GENDER POLICY FOR SCHOOLS

All efforts to form and accompany young people, especially in relation to human gender, must recall the intrinsic dignity of the human person. It is necessary to affirm that “the dignity of the human person is rooted in [their] creation in the image and likeness of God.”¹ Image and likeness find their expression in each of the two sexes as they provide an “image of the power and tenderness of God, with equal dignity though in a different way.”² Thus, male and female are unique and complementary. Moreover, “biological sex and the socio-cultural role of sex (gender) can be distinguished but not separated.”³

Today, this reality of creation, sex, and gender is sometimes misunderstood and ignored. Parents have the first responsibility for the education of their children; therefore, Catholic schools partner with parents in communicating the Gospel and drawing young people closer to Jesus Christ. The Diocese of Salina provides this school policy, rooted in the Catholic understanding of gender, to guide the accompaniment offered to those experiencing gender dysphoria and/or incongruence in our school communities.

1. In the Diocese of Salina, all Catholic schools shall respect the biological sex, of each student and shall apply all policies and procedures in relation to that student according to each student’s God-given biological sex regardless of what might appear on state-issued documents such as birth certificates.

2. All students shall conduct themselves in accord with their God-given biological sex as it relates to the use of personal pronouns, dress code, use of school bathrooms, locker rooms, shower facilities, and participation in school-sponsored activities. All official school documents shall likewise reflect the student’s biological sex.

2a. Schools, administrators, teachers, other students, and anyone else affiliated with our Catholic Schools are under no obligation whatsoever to refer to any student in any way that recognizes said student to be anything other than the sex (s)he was assigned at conception by God.

3. Provided that any given student and his/her parents or legal guardian(s) are willing to comply with the above stated policy, admission or retention will not be denied based solely on a student’s experience of gender dysphoria. If a student experiences gender dysphoria and/or incongruence, school leaders and pastors shall partner with parents to establish an accompaniment plan. This plan must follow the teachings of the Catholic faith.

4. If at any time, parents, guardians or students desire accommodations or accompaniment that do not follow this policy, it may be necessary to begin the school transfer process for the good of the student and the school community. At every stage of this process, parents and guardians will be invited to their parish for pastoral support.
