Open Forum:

Briana Webster has graciously volunteered to head the Harvest Fest committee next school year. She will open communication with the parish in the hopes of including them in our festivites. Papa Johns fundraiser dates need to be settled upon for next year. Remember to pick

up the gift card provided by walmart every month. Babysitters will be available at the next meeting. The last AR party of the year is coming up soon, and the idea as of now is to rent the skating rink for \$300/2hr using the funds PTO has set aside for such purpose. There has been a reorganization of storage in the school. We anticipate needing new storage shelves. Providing a treat for 2nd graders celebrating their first communion was briefly discussed. A uniform collection and sale has been mentioned again, with the consensus being that we should go ahead with planning. PTO officer positions will be held next month.
